## **THE NEW CHIEF EXECUTIVE OFFICER OF COESIA HAS BEEN APPOINTED**

Today the Coesia S.p.A. Board of Directors has appointed Alessandro Parimbelli as Chief Executive Officer.

After holding senior positions at Jabil Circuit Inc., Alessandro Parimbelli, 52, an engineer, has held the role of Executive Vice President and Chief Executive Officer of the Enterprise and Infrastructure Division of the US company since 2013.

The new Chief Executive Officer will continue the process of innovation and growth at Coesia, a group of 21 companies specialised in highly innovative industrial and packaging solutions based in Bologna. The Group, whose sole Shareholder and President is Isabella Seràgnoli, is present in 35 countries with 84 production plants in 136 operating units and has over 8,000 employees.
